

The Dooly County Commissioners are considering the official abandonment of a section of Hudson Corner Road. A Map is enclosed with this section of road highlighted (between State Route 230 and McCorvey Road).

The Commissioners will consider this matter at their May 20, 2021 meeting. A Public Hearing is scheduled for 9:30 AM on this date at the County Commissioners' Office. The purpose of this Public Hearing is to receive any comments or questions regarding this proposed road abandonment.

After the Public Hearing, the next step is for the Commissioners to determine if the road has ceased to be used by the public to the extent that no substantial public purpose is served by it. If so, the Commissioners may declare this section of the county road system abandoned. Thereafter, this section of road shall no longer be part of the county road system and the rights of the public in and to this section of road as a public road shall cease.
